## SETTLEMENT OVERVIEW

**For the precise terms of the settlement,  
please see the settlement agreement  
available on the Important Documents  
page.**

## **Compensation for Out-of-Pocket Losses:**

Settlement Class Members who submit a valid and timely Claim Form are eligible to receive reimbursement of up to \$2,500.00 per Settlement Class Member for Out-of-Pocket Losses that are fairly traceable to a Data Security Incident, an Unauthorized Account Event, or a deficiency in error resolution in connection with a Cash App or Cash App Investing account that occurred during the period of August 23, 2018 through August 20, 2024, and that have not already been reimbursed by Block, Cash App Investing, or a third party. These Losses may

include: (a) Costs associated with credit monitoring or identity theft insurance purchased directly by the Class Member; (b) Costs associated with requesting a credit report; (c) Costs associated with a credit freeze; (d) Costs associated with canceling a payment card and/or obtaining a replacement payment card; (e) Costs associated with closing a bank account and/or opening a new bank account; (f) Miscellaneous expenses such as postage fees, long-distance phone charges, express mail, and other incidental expenses; (g) Unrefunded overdraft and/or overdraft protection fees; and

You must submit documentation of the Out-of-Pocket Losses as part of your claim. This may include receipts or other documentation and may not be "self-prepared." "Self-prepared" documents such as handwritten receipts are, by themselves, insufficient to receive reimbursement, but may be considered to add clarity or support to other submitted documentation.

**Compensation for Lost Time:** In addition to the Out-of-Pocket Losses Payment, Settlement Class Members who submit a valid and timely Claim Form may be eligible to receive reimbursement for Lost Time of up to three (3) hours at a rate of \$25.00 per hour for time spent in response to a Data Security Incident or an Unauthorized Account Event or a deficiency in error resolution in connection with a Cash App or Cash App Investing account.

**Compensation for Transaction Losses:** Settlement Class Members who submit a valid and timely Claim Form, who experienced an

Unauthorized Account Event that resulted in a monetary loss that has not yet been reimbursed, which occurred during the period of August 23, 2018 through August 20, 2024, may be entitled to reimbursement for Transaction Losses. Class Members seeking reimbursement for Transaction Losses must provide one of the following: (a) documentation showing that they notified Defendants of the Unauthorized Account Event during the period of August 23, 2018 through August 20, 2024; or (b) documentation showing that they filed a police report concerning the Unauthorized

Account Event during the period of August 23, 2018 through August 20, 2024; or (c) documentation that the Settlement Administrator, in its sole discretion, determines is sufficient to demonstrate the occurrence of an Unauthorized Account Event during the period of August 23, 2018 through August 20, 2024.
